CUSTOMER SPOTLIGHT

Nothing tastes quite like a porterhouse steak prepared to your exact wishes and from a healthy living perspective there is no other protein source that better satisfies the craving for a great steak dinner. Whether it's grilled over an open flame in your own backyard or professionally seasoned and prepared at your favorite restaurant...it's all good!

Of course the flavor, texture and even mouth watering appearance of your steak is all part of a much grander chain of events that span all the way back to the daily feeding of the cattle.

Enter *Endres Processing* with the 20 years of experience in developing the right feed mixtures with the grains, minerals and starches that make *Endres Processing* the undisputed leader in supply feed supplements to cattle, swine and poultry operations of all sizes throughout North America!

Still at the end of a hard day it all comes down to your quality of life and tonight if a steak is part of that nirvana, it's companies like *Endres Processing* that work to assure you and your family are enjoying one of life's simplest pleasures...a great steak dinner!
