# THE CROSSING

PROGRESSIVE RAIL NEWS AND VIEWS

Volume 8 Issue 1

**T**his farm, blanketed in snow, will soon become a major contributor in feeding and fueling the world! With the help of a number of soil enriching products, such as phosphates and nitrates supplied by *River Country Co-op*, this farmland is also destined to be one of the most productive.

As good as *River Country Co-op's* products are, the service you will experience is even better thanks to their trained professionals who have not only made agriculture a way of life, but also fully understand their role in furthering sound environmental stewardship in the land we all rely on to raise our families.

Whether you are managing thousands of acres of cropland or taking care of your own personal home site, stop by *River Country Co-op*, they have everything you need to make your world a little greener, both literally and figuratively.

You can reach *River Country Co-op* by dialing 1-800-657-3285 or (507) 645-8946. To learn more visit their website at [www.rivercountry.coop](http://www.rivercountry.coop).
